

# Rainbow Ryders, Inc. Hot Air Balloon Company Welcomes you to Albuquerque, New Mexico **TART**

The Land of Enchantment is home to the world's largest hot air balloon event, Albuquerque International Balloon Fiesta, where hundreds of balloons take to the sky. While visiting you can also take to the skies and enjoy the beautiful backdrop

Our flight crew will pick your guests up from their hotel/resort just before sunrise\* and take them to the launch site. They may watch, take pictures or assist in bringing these colorful giants to life. Gently they will soar through the heavens for about an hour and the pilot will show local points of interest, share balloon history and their unique enthusiasts' perspective. Upon landing, the flight gear will be loaded and the flight team will provide a light continental breakfast with assorted pastries and juices.

Raise your glass with the pilot to share the traditional balloonist champagne toast; flight pin and certificate to mark the occasion.

Most often, we will have them back at the hotel before your meeting begins. We trust, with lifted spirits and fond memories—ones we hope they will carry for a lifetime.

Hotel/resort pick-up times will be confirmed at time of reservation. Block out 3.5 hours from pick-up to return.
